REALISING JUST CITIES

Urban knowledge?

be brave

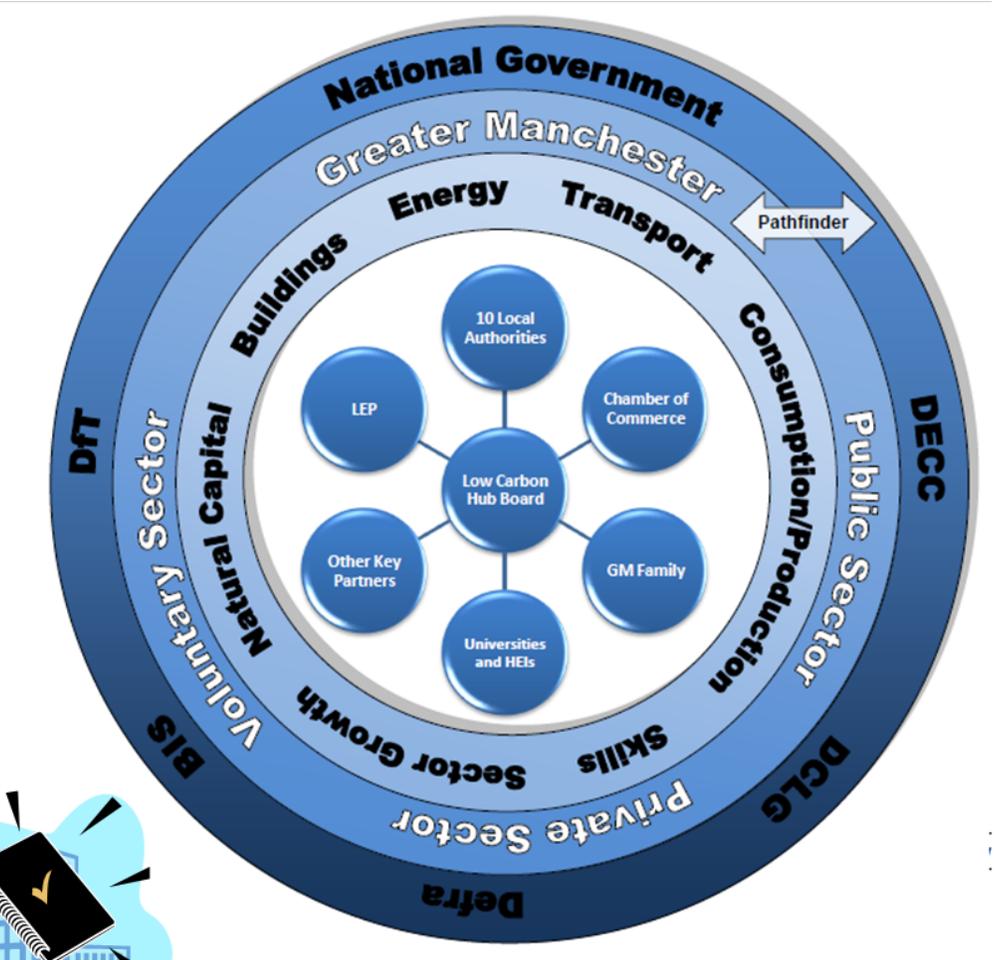

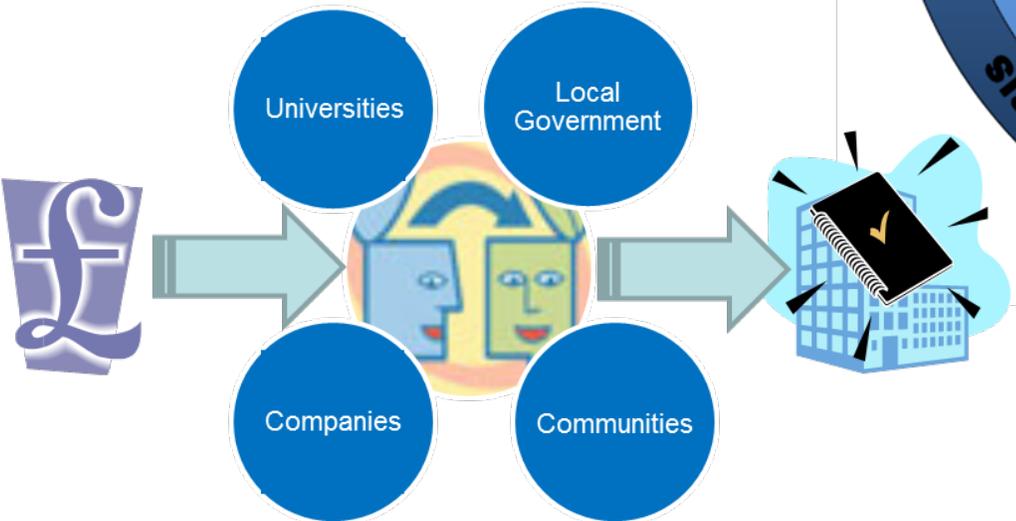

**think big
longterm**

Media City, Salford Quays,
Greater Manchester

Greater Manchester Low Carbon Hub

- ❖ Centre of expertise for economic gain through the integrated delivery of carbon reduction projects.
- ❖ Harnesses the knowledge of our universities with the innovation of our businesses under strong public governance.

Session VI: Re-thinking Urban Change

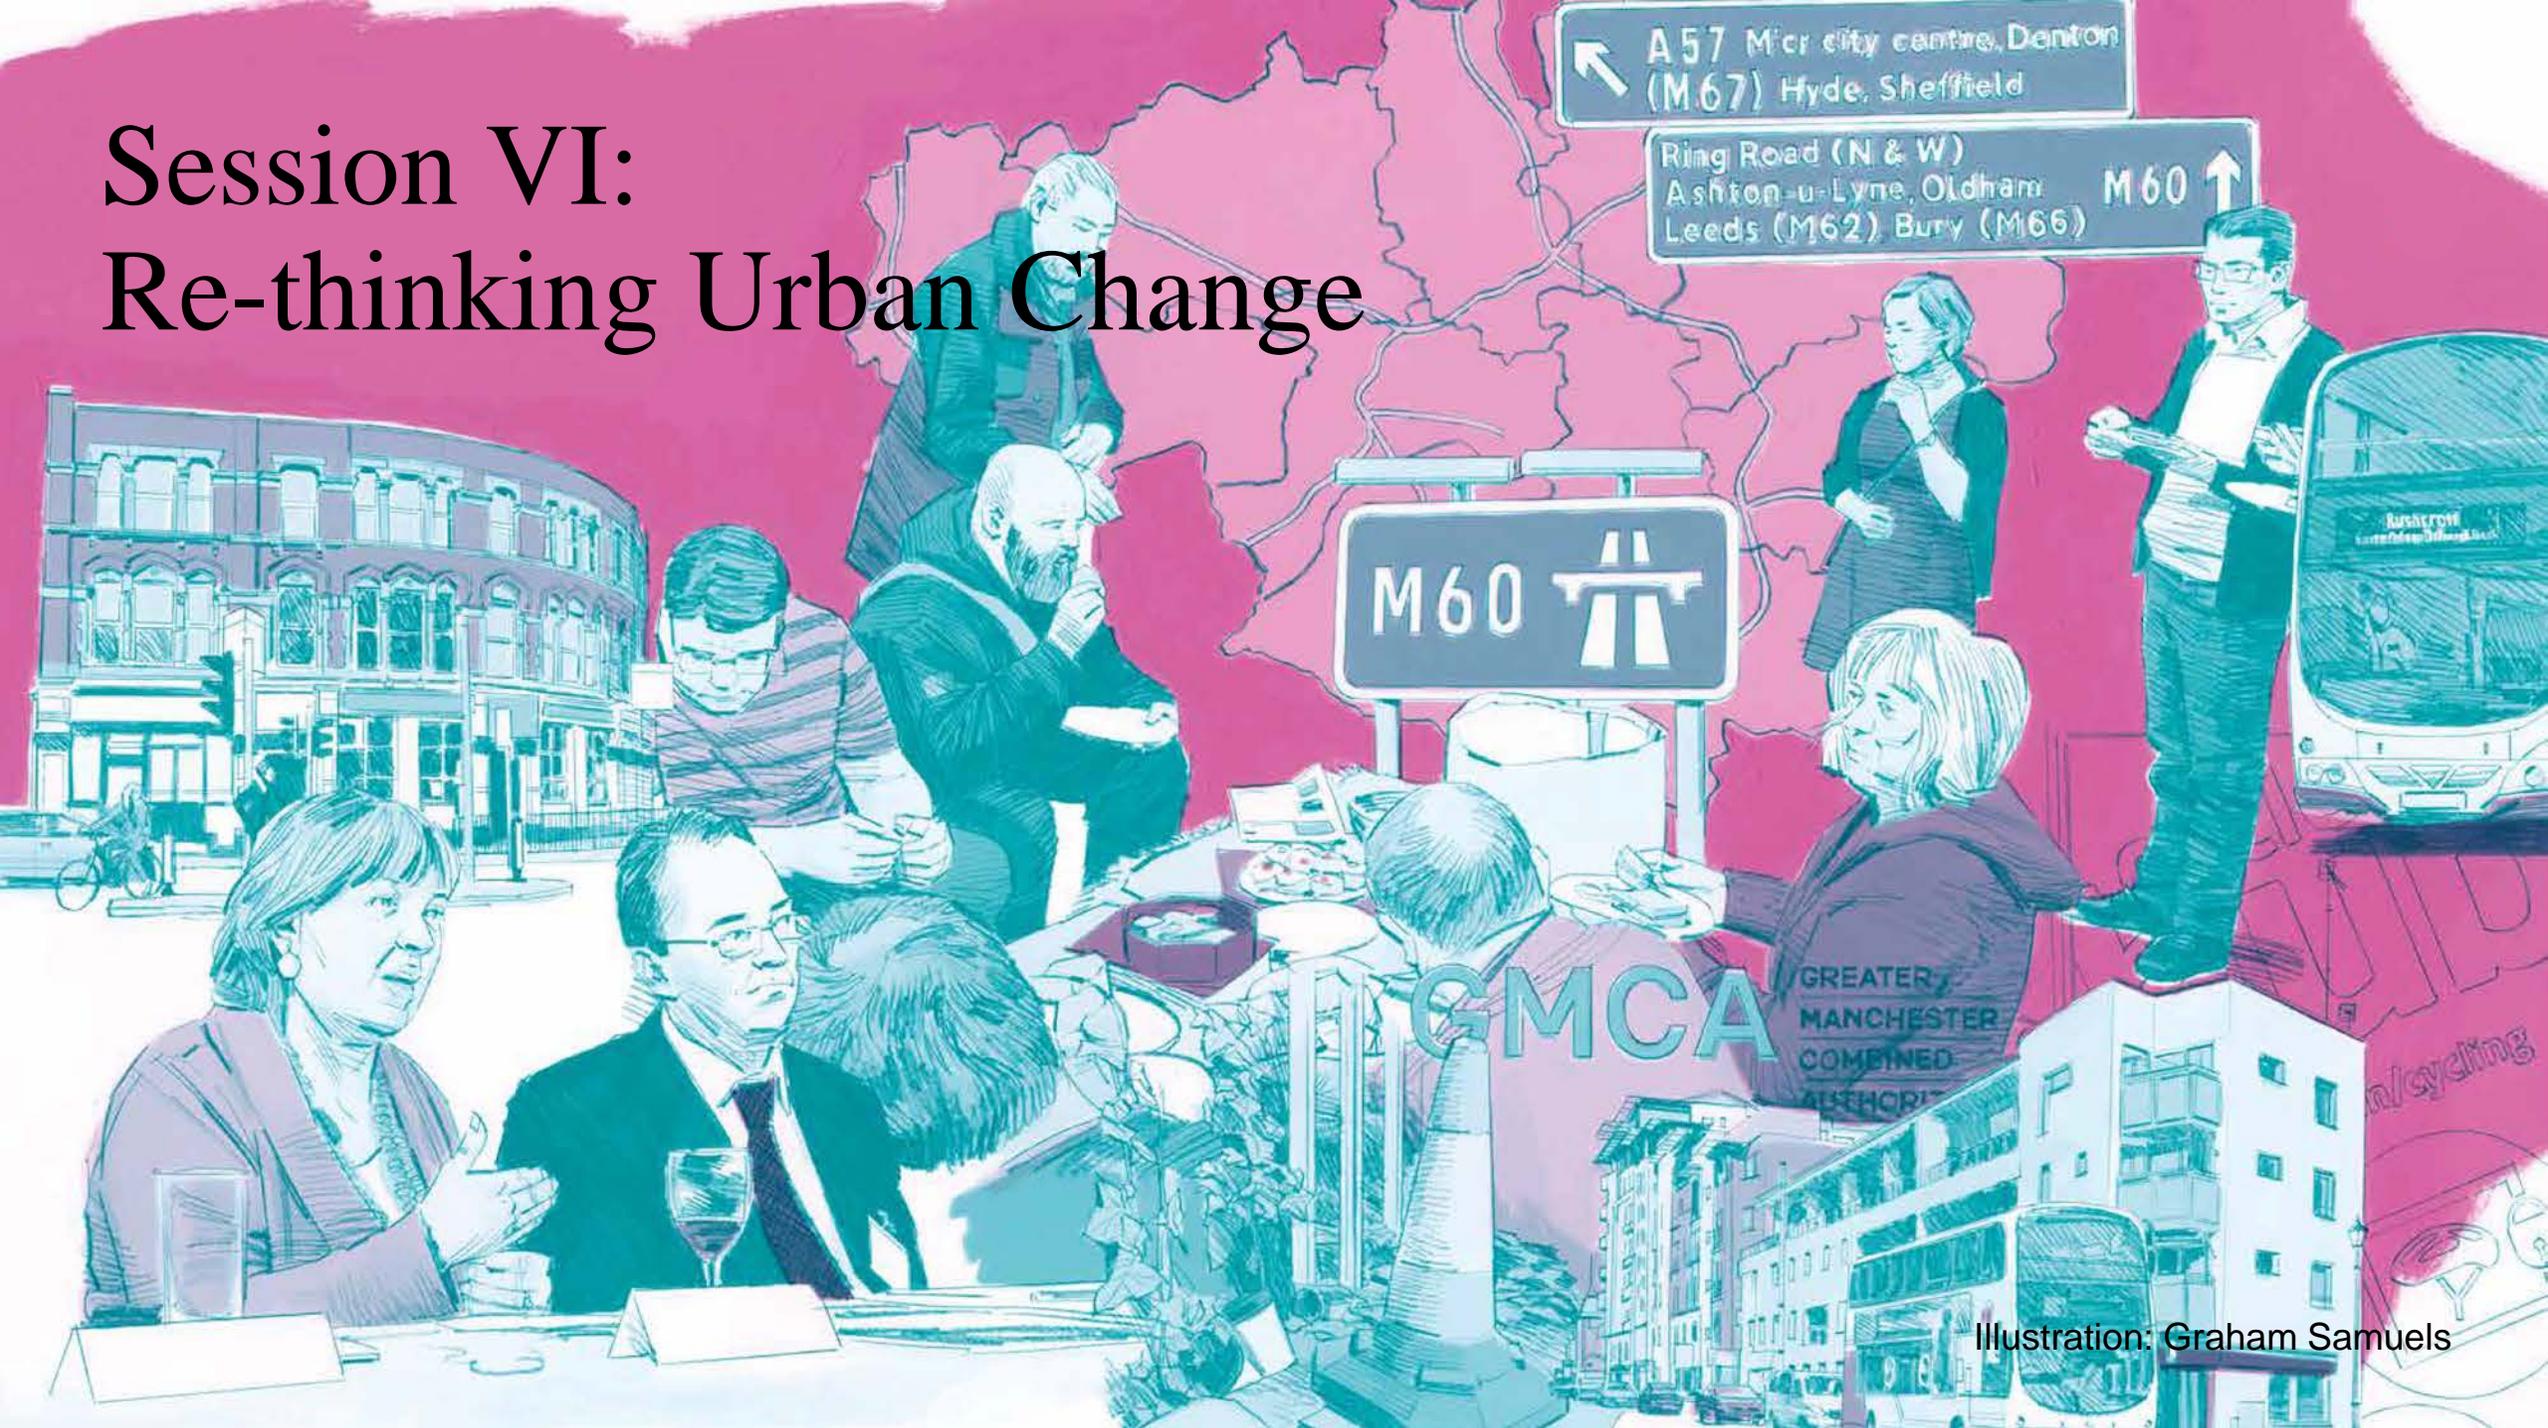

Illustration: Graham Samuels

Ass. Prof. Hans Abrahamsson, *University of Gothenburg, Sweden*

REALISING JUST CITIES

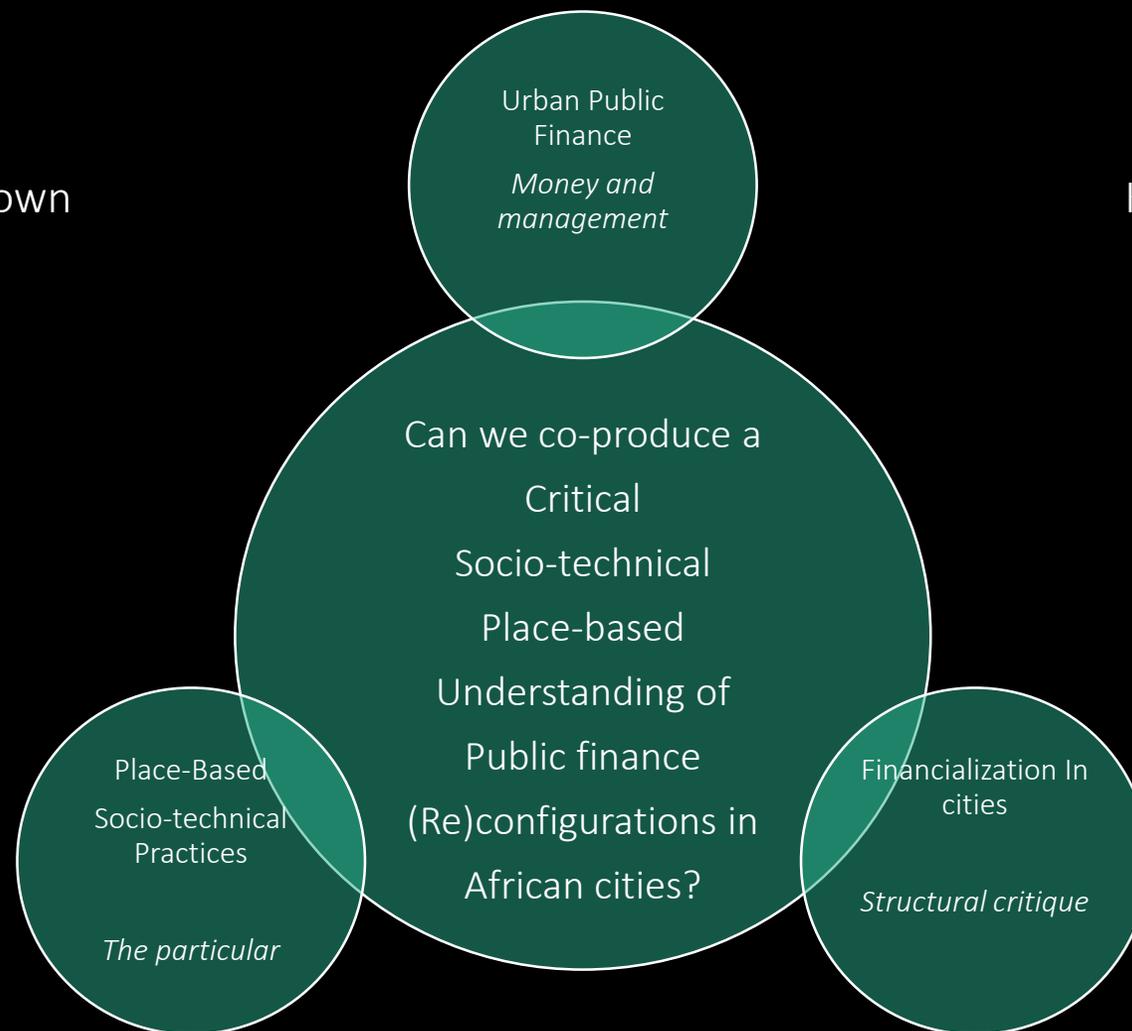

We Cannot Reassemble an Unjust City on Critique Alone

Cape Town

Kisumu

TACKLING ***COMPLEX ISSUES*** REQUIRES
CO-CREATION AND A ***TRANSFORMATIVE DIALOGUE***
BASED UPON ***COINCIDING INTERESTS***

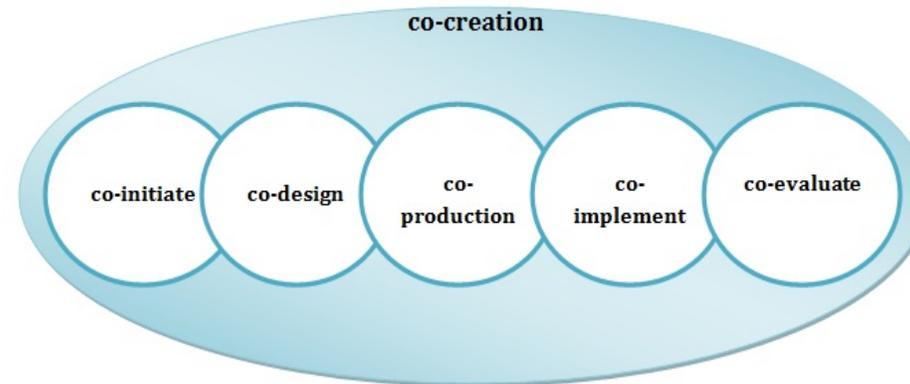

TACKLING ***COMPLEX ISSUES*** REQUIRES
CO-CREATION AND A ***TRANSFORMATIVE DIALOGUE***
BASED UPON COINCIDING INTERESTS

Complex issues; context specific,
disputed causes and effects
in constant change

TACKLING **COMPLEX ISSUES** REQUIRES
CO-CREATION AND A **TRANSFORMATIVE DIALOGUE**
BASED UPON **COINCIDING INTERESTS**

Complex issues; context specific,
disputed causes and effects
in constant change

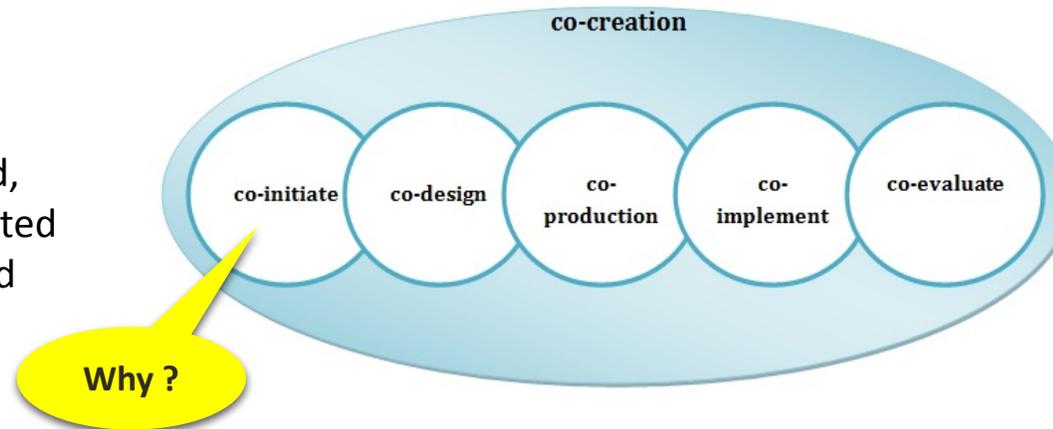

The need for **co-creation**:
Problems can only be formulated,
measures identified and implemented
by those affected and concerned

BASED UPON **COINCIDING INTERESTS**

Complex issues; context specific,
disputed causes and effects
in constant change

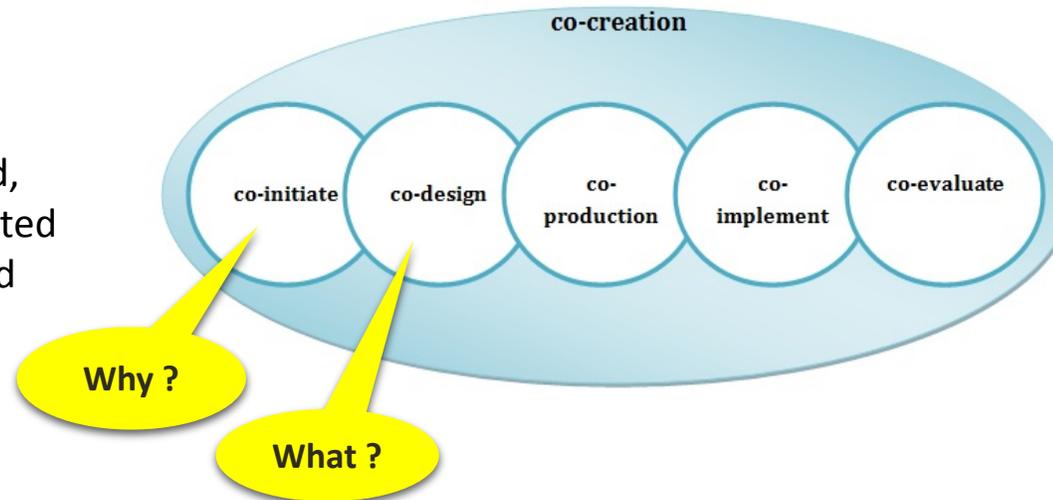

The need for **co-creation**:
Problems can only be formulated,
measures identified and implemented
by those affected and concerned

Empowering the powerless for a **transformative dialogue**:

- * Visualize disagreements and underlying perceptions
shaping patterns of action and thought
- * identify possible coinciding interests

Final Discussion

Magnus Johansson
Director of SKLIP

Ena Sredanovic
Chalmers University

Johanna Selin
University of Gothenburg

Jakub Dvorak
Chalmers University
